

# Physics 211 – Continuum Mechanics

## General Information

course meeting: TTh 2:15 – 3:45 pm, Hewlett 102

discussion section: M 6:00 – 7:00 pm, Varian 208

Professor: Michael E. Peskin  
SLAC, Building 40, Room R326-3250  
Varian 372 (Mondays) 736-0326  
mpeskin@slac.stanford.edu

TA: Siavosh Rezvan Behbahani  
Varian 311 (office hours: Tu 6:00-7:00 pm)  
SLAC, Building 40, Room R310 926-3256  
siavoshr@stanford.edu

Useful Textbooks: L D. Landau and E. M. Lifshitz, Fluid Mechanics  
G. K. Batchelor, An Introduction to Fluid Dynamics  
R. D. Blandford and K. S. Thorne, Applications of Classical Physics

Web page: <http://www.slac.stanford.edu/~mpeskin/Physics211/>

The course syllabus, lecture notes, and problem sets and solutions will be posted on the course web page.
