

## Physics 212 – Problem Set # 2

(due Thursday, April 15)

1. Sethna, problem 2.5. Please use any convenient computer tool to carry out this exercise. I am told it is quite easy to do this in MatLab. Some fancier plotters for random walks are posted at Sethna's web site and at the course web site.
2. Sethna, problem 3.3.
3. Sethna, problem 3.5.
4. Sethna, problem 3.8.
5. Sethna, problem 3.9.
